## TERMS AND CONDITIONS:

1. The NIQ for “**Procurement of 5 Basic Life Support 4x4 Ambulance and 1 Advance Life Support (ALS) High Speed Fabricated Ambulance**” will be based on Technical Evaluation of Technical bids & Financial Evaluation of Financial Bids to be carried out by the NIQ Committee approved by the Mission Director, National Health Mission, Meghalaya.
2. The “**Committee for Technical & Financial Evaluation**” National Health Mission reserves the right to accept or reject any quote or any part of the NIQ without assigning any reasons thereof. No conditional Quote shall be accepted.
3. Price should be quoted as per company’s price list which should also be supported by the company pricelist and dealership certificate duly attested.
4. The bid shall remain valid for a period of **Six Months** from the date of issue of NIQ. The bid valid for a shorter period shall be rejected by the Mission Director, National Health Mission, Meghalaya as non-responsive. The period can be extended mutually.
5. No bidder will be allowed at any time, on any ground whatsoever to claim revision of or modification in the rates quoted by them. The representation of the bidder, that the computation, typographical or clerical error etc has been committed in the bid, and a request for revision. Such a plea shall not be entertained after opening of the bid.
6. Unless otherwise specified, all supporting documents submitted and asked for under the NIQ must be duly attested by a Gazetted Officers / Notary.
7. At any time prior to the submission of Bids, the NIQ Inviting Authority may, for any reason whatsoever, whether on his own initiative or in response to a clarification requested by a prospective bidder (s), modify the NIQ Document by an act of amendment thereafter referred to as an Addendum for Addition & Corrigendum for Correction. All prospective bidder(s) who have received the bid document will be notified of the Addendum/ Corrigendum and that will be binding on them. In order to provide reasonable time to take the amendment into account, the NIQ Inviting Authority may at its discretion extend the date of the time for submission of Bids.
8. If found that the Successful Bidder is incompetent to provide the products/ service requested, in such a situation, the proposal may be reviewed for award of the contract to the next qualifying bidder or go for a fresh bid depending on the circumstances. No form of compensation shall be payable in any form whatsoever to the forfeited bidder. In case it is decided to go for the next qualifying bidder, negotiation may be considered to bring down their price nearer to the originally Evaluated or Lower bidder in consideration to the equipment to be supplied.
9. Wherever relevant for all the medical equipment as well as ambulance accessories

# NATIONAL HEALTH MISSION

Government of Meghalaya

from any third-party sources apart from the bidder the original manufacturer's name and brand must be specified in the bid document supported by adequate technical detailing and explanation. The customer may request for specific additional technical information if it wishes so and in all such cases the bidder must provide the requested details failing to which the bid will be treated as technically non-responsive.

10. The bidder must indicate in their bid the supply and manufacturing sources for the various materials as well as ambulance equipment and other general devices the bidder must enclosed detailed product brochures.
11. All the necessary quality standard certificates for the medical equipment and other devices as applicable as per the NIQ specifications must be enclosed in the bid, without which the bid will be treated as technically non-responsive.
12. All bidders must enclose complete documentary data to indicate that the products offered by them, is in compliance with the specifications.
13. **Guarantee / Warrantee** period and facility after sales and service should be indicated. The bidders are required to provide the warranty of equipment as per their terms and conditions for the whole vehicle along with the equipment supplied there in with full detail and period of coverage.
14. Undertaking on plain paper duly signed and sealed to the effect that the supply will be carried out by the bidder himself/ herself.
15. Bidder needs to furnish in writing an undertaking that they would be able to undertake **Service at Call**.
16. Dealership Certificate (if worked through the authorized dealer), Catalogs of products being listed.
17. Manufacturer's Authorization (The letter of authorization should be on the letter head of the manufacturing firm and should be sealed and signed by a person competent).
18. The "Chairperson" shall also be competent to alter/ modify any minor specifications of any item/ items for purchasing in the best interest of the Department during the process of finalization of a contract viz. Placement of supplier order.
19. The successful bidder should ensure immediate supplies if supply order is placed on them and they are bound to supply material strictly as per the conditions approved by the Committee. If at any stage it is found that the material supplied by the firms is not according to, as approved by the Committee, the ACTION AS DEEMED FIT WILL BE TAKEN AGAINST THE FIRM.
20. All the items supplied shall be of the best quality, specification, trade mark and in accordance with the approved standards, catalogue, and samples if provided. In case of any articles supplied not being approved, same shall be liable to be rejected or replaced and any expenses as a result of rejection or replacement of supplies, shall be entirely at the cost of the bidder.
21. The period of delivery of the Ambulance by the successful bidder shall be required to the defined in writing addressed to the Mission Director, National Health Mission, Meghalaya on the knowledge of the quantity requirement.
22. **The Dealer or the Company may quote the price inclusive of the charges (Separately to be specified in the Financial Bid) in relation to the Fabrication (if required), Installation (if required), Registration of the Vehicles with the District Transport Officer (as per Govt. Rates), Taxes etc with the same before its delivery to the above stated address.**
23. GST will be paid only in respect of order/ allotted work.
24. **Payment Terms:** Payment of the contract price shall be paid against number of goods (ambulances) received in good condition and upon the submission of the

# NATIONAL HEALTH MISSION

## Government of Meghalaya

following documents:

- a. Copies of supplier's invoice showing contract number, goods description, quantity, unit price and total amount;
  - b. Consignee Receipt Certificate (CRC) as per ANNEX -III issued by the authorized representative of the consignee;
  - c. Copy of list identifying contents in each ambulance;
  - d. Registration Certificate of ambulance vehicle issued by the Regional Transport Authority.
  - e. Warranty / Guaranty Certificate.
25. The purchasing officer does not pledge himself to accept the lowest of any NIQ and reserved to himself the right of accepting the whole or any part of the NIQ or portion of the quantity offered against any item and you shall supply the same at the rate quoted. You are at the liberty to quote for the whole or any portion of the quantity of any item or state that the rate quoted shall apply if the entire quantity of any such item is taken from you.
26. In the event of any of mentioned dates being declared as holidays/closed day for the purchase Organization, the Quotes will be receive/ opened on the next working day at the appointed time. The NIQ documents are non-transferable. **The Additional Requirements to be affixed along with the Technical Bid may be found below with additional terms and conditions as prescribed in Annexure I.**
27. The contract shall be governed by the laws in force in India. In any event of any dispute arising out of the NIQ, such dispute would be subjected to the Jurisdiction of the Arbitrator to be mutually decided in accordance with the Arbitration & Conciliation Act, 1996 within the city of Shillong only.
28. **Force Majeure conditions:** The conditions of delivery period, reduction & termination etc are subject to Majeure conditions which are beyond the reasonable direct or indirect control and without the fault or negligence of the bidder and which results in bidder's inability, notwithstanding its reasonable best efforts, to perform its obligations in whole or in part and may include rebellion, mutiny, civil unrest, riot, strike, fire, explosion, flood, cyclone, lightening, earthquake, act of foreign enemy, war or other forces, theft, burglary, ionizing radiation or contamination, Government action, inaction or restrictions, accidents or an act of God or other similar causes. On specific request made by the bidder, the time period of the supply and completion may be extended by the Mission Director, NHM, Meghalaya at his discretion for such period as may be considered reasonable. However, the condition may not include scarcity of raw materials, power cut, labour dispute, failure of Sub Vendor and increase in cost of raw material or any other circumstances being under control of the bidder or party concerned.
29. **Saving Clause:** No suit, prosecution or legal proceedings shall lie against Bid Inviting Authority or any person for anything that is done in good faith or intended to be done in pursuance of the NIQ.
30. **Patent Rights:** The supplier shall, at all times, indemnify and keep indemnified the purchaser, free of cost against all claims which may arise in respect of goods & services to be provided by the supplier under the contract for infringement of any intellectual property rights or any other right protected by patent, registration of designs or trade. In the event of any such claim in respect of alleged breach of patent, registered designs, trademarks etc being made against the purchaser, the purchaser shall notify the supplier of the same and the supplier shall at his own expenses take

Government of Meghalaya

## **TECHNICAL BID COVER**

1. The Technical Bid Envelope enclosed shall be required to be super scribed as **“Procurement of 5 Basic Life Support 4x4 Ambulance and 1 Advance Life Support (ALS) High Speed Fabricated Ambulance”** along with the name of the company/firm offering the proposal.
2. Compliance to Points referred under Eligibility Criteria & Terms and Conditions.
3. Copy of a Cancelled Cheque of the Firm clearly indicating Bank Name, Account Number, Branch, IFSC Code.
4. NIQ applications not accompanied with documents in support of credentials of bidding firm shall not be considered and will be rejected.
5. An Affidavit to be submitted on Non-Judicial Stamp paper attested by Public Notary that there is no vigilance / CBI Case or arbitration case pending.
6. Bidders contact details along with names of the Proprietor/ Director, Address, Telephone & Fax Numbers, E-mail Id, Bankers and Bank Account Number to be furnished.
7. Joint Ventures or Consortia in the form of Associations will be permissible. In such cases, a declaration of association between the Parties has to be clearly submitted in writing.

## **FINANCIAL BID COVER**

1. The Financial Bid Envelope enclosed shall be required to be super scribed as **“Procurement of 5 Basic Life Support 4x4 Ambulance and 1 Advance Life Support (ALS) High Speed Fabricated Ambulance”** along with the name of the company/firm offering the proposal.
2. The bidder shall give the total composite price indicative in **Indian Rupees** inclusive of all levies, taxes, packing, forwarding, freight, vehicle registration and insurance (if any).
3. The price quoted by the bidder shall remain fixed and shall not subject to any variation. A bid submitted with an adjustable price quotation will be treated as non-responsive and be rejected.
4. The price quoted shall be provided separately under the **Financial Bid** enclosed in the main NIQ for each category and item presented in the Technical Bid duly specified and signed. Kindly specify the different components under the price quoted i.e., base price of the vehicle, specified equipment cost, fabrication cost, registration cost, taxation expenses etc.
5. Discount if any offered by the bidder shall not be considered unless they are specifically indicated and the total cost shall reflect only the net price taking all factors like discount, free supply, free delivery etc into account.
6. The Rates quoted against the item on the NIQ should be mentioned in both Figures and Words. Transparent tape should be applied on each quoted rates.
7. **Rates quoted should be typed and should be free from Fluiding, Cutting and Overwriting. No hand written quotation will be accepted.**
8. The Price bid shall not be opened for those bidders who have not complied with the provisions of the Bid Document or who have not complied with the provisions / technical specifications of the bid document or whose bid have been determined as non-responsive or fail to qualify in the Technical Evaluation.

## **GENERAL AMBULANCE SPECIFICATIONS:**

1. The design of the vehicle and the specified equipment shall permit accessibility for servicing/ replacement and Adjustment of components/parts and accessories, with minimum disturbance to other components and systems. Also, the bidder shall ensure that sufficient re-enforcement is provided to protect the components, assemblies, pipelines, tubing, wiring, etc. which are susceptible to damage/hazards encountered during on-road, off-road, cross-country operations of ambulance.
2. The ambulance should meet the axle load distribution as per Central Motor Vehicles Rules (CMVR).
3. Ambulance should have two compartments i.e Driver's Cabin and Patient Compartment and should not be accessible to dust water with all doors and windows closed.
4. An access window between Driver's Cabin and Patient Compartment should be provided at appropriate location for visual checks and voice communication between the cabin and patient compartment. This window should be latch able from the patient cabin side and should be transparent, shatter proof and shall have adjustable opening.
5. The finished floor (loading) height shall be such that specified collapsible autoloader stretcher may be loaded in ambulance smoothly single handedly with full comfort of patient.
6. The Vehicle should have ground clear of 180 mm, the vehicle should be able to negotiate hilly area gradients and sharp bends.
7. Ambulance should be fitted with power assisted steering system, for easy and comfortable steer ability of the vehicle at low and high speeds. The vehicle also should comply with the steering requirements, as per CMVR.
8. Vehicle shall be equipped with laterally matched sets (front and rear) of spring, torsion, or air suspension system components suitable to ensure comfortable ride and safety of the patient. The suspension maybe reinforced suitable to provided additional comfort.
9. The tyres fitted on the ambulance should be Radial tyres (with/without tube) of Indian make, and type approved by any of the testing agencies specified in CMVR, 1989 for its load, speed performance and durability and tyres should be two in front and two in rear with spare wheel. A spare wheel should be housed at appropriate place and indicated.
10. The vehicle should meet all requirements of CMVR. Though it is desirable that the ambulance be equipped with ABS System, fitment of the same is optional.
11. The patient compartment shall have the provisions for housing:
  - a roll-in self-foldable/collapsible (auto-loader) stretcher for the patient
  - a folding/scoop stretcher
  - a squad bench to accommodate minimum four sitting patients.
  - a washbasin with foot operated tap
  - Medical Equipment as specified and other equipment.

Patient compartment volumetric space shall be sufficient in size to transport occupants and accommodate / store all stretchers, squad / cots and litters.

12. The rear loading door for entry into Patient Compartment should be of appropriate size and the door opening should be side-ways (preferably 270 degrees opening). Each
